

THIS DOCUMENT CONTAINS SPECIFICATIONS FOR
Promethean ActivSoundBar

DESCRIPTION

The Promethean ActivSoundBar provides a powerful, high-quality sound option for most classrooms and meeting rooms. It can be used as the sole sound source for ActivBoards without built-in sound, or to enhance the depth and range of sound from units such as the ActivPanel Touch.

Brackets are included to fix the ActivSoundBar to the top edge of selected Promethean ActivBoards or to a suitable surface.

OVERVIEW

Installation	Use of components not supplied by Promethean or not meeting minimum specifications may impact performance and affect warranty. Contact your Promethean partner or visit www.PrometheanKB.com for more information.
Warranty	For Promethean Warranty Terms and Conditions please visit: www.PrometheanWorld.com/ActivCare
Support	Online Support for all Promethean Products available from: www.PrometheanKB.com
